Percent satisfied with school-home relations	100.0%	94.9%	94.7%

\*Only students at the highest elementary school grade level at this school and their parents were included.

## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Gateway Elementary School is a community school that provides a positive, safe, and caring environment for all learners. Situated in northern Greenville County, Gateway serves approximately 665 students in 4K through 5th grades. At Gateway Elementary School, our goal is to ignite a curiosity and unique love of learning in all of our students, building the necessary foundation that will allow them to become creative, twenty first century learners, and successful adults. We believe that effective utilization of instructional technology, implementation of innovative standards based curriculum and implementation of a quality character education program are vital components in preparing our students to become college and career ready adults. Our classrooms are equipped with internet-accessible computers, instructional iPads and interactive Promethean or Smart Boards. All students have regular access to two computer labs, two portable laptop labs, an iPad library as well as a number of online academic programs. Gateway Elementary School has been recognized by a number of awards and distinctions for academic excellence over the years. In the past two years, we have celebrated receiving the prestigious State Palmetto Silver and Gold Awards as well as The Closing the Gap Silver Award for demonstrating academic excellence. At Gateway Elementary School, we believe that the success of our students is rooted in the strong bond that we enjoy with our surrounding community, and other major stakeholders. It is important that our students recognize, and are active participants in community outreach projects that stretch beyond and within our walls. This year students and faculty members participated in Jump Rope for Heart, Hoops for Hearts, Travelers Rest High Spirit Week, holiday visits to area nursing homes, Box Tops for Education, St. Jude Math-a-Thon, Relay for Life, community food drives, The United Way of Greenville County annual campaign, Roper Mountain Holiday Lights and St. Francis Festival of Trees. Gateway Elementary School collaborates with the Carolina First Center of Excellence to implement "Quality Learning Tools" for continuous improvement. This model puts accountability for learning in the student's hands as they develop academic and personal goals, and become active participants in tracking their individual successes. The model encourages effective communication, responsibility, and promotes positive social behavior. Additionally, Gateway Elementary School implements an RtI (Response to Intervention) program that assists qualifying students in kindergarten through fifth grades with supplemental instruction using proven research based delivery models. Gateway Elementary School is committed to providing our students with a high quality, student centered educational program that represents a true learning community. We will continue to cultivate relationships within our community and provide opportunities for all students to become productive citizens and exceptional individuals.

Susan Stubley, Principal
